Dear Parent/s

Frenchville P&C recognises that we have a number of students who excel in sporting and cultural activities in which they represent our school at high levels of competition and events. The P&C considers it a priority to provide support to students to offset the costs of this participation. Whilst we are not able to cover all costs, the collective fundraising efforts of the school community allows the committee to make a standard contribution towards this participation.

Congratulations on your child’s selection in the following program –

- Capricornia Primary Schools Sports Team
- Education Queensland Regional Representation - Sport
- Education Queensland and/or Regional Representation in The Arts (eg. music, drama, etc.)
- State Primary Schools Sports Team
- State Representation in The Arts (eg. Optiminds finals, MOST program)

The committee is offering a $50 subsidy to successful applicants for Capricornia level selection, and $200 for State level representation, making a maximum of $250 subsidy available per child. This subsidy is only available upon application.

To apply for financial assistance, please complete the attached proforma and submit to the Frenchville P&C Association for consideration. Proof of your child’s selection in the representative team/event should be attached to the application. Incomplete applications will not be considered and will be returned to the applicant for finalisation.

Lodging an application does not guarantee funding. Financial assistance is provided retrospectively and applicants are required to use their own resources to fund the costs associated with participation in the event. For accountability and audit purposes, all decisions made about subsidies are minuted at a general meeting of the P&C Association.

For children who have been selected in a Queensland State Championship or Queensland State School Championship, funding is also available through the Young Athlete Assistance Program. Further information is available by visiting the Queensland Government website: https://www.smartservice.qld.gov.au/services/grants/grantdetails.action?grantId=8ae5936c0f34a8c5010f34a8e2570001

In addition, the Local Sporting Champions Program is an Australian Government initiative designed to provide financial assistance for junior sportsmen and women when participating in an Australian Sport Commission (ASC) recognised national sporting organisation (NSO) state or national sporting competition, or national school sport competition. Grants of $500 for eligible individuals are available to successful applicants. Applicants must be between 12 and 18 years of age and be required to travel greater than 250km, return. Application forms are available from the Australian Sports Commission website www.ausport.gov.au/champions or from Kirsten Livermore’s office at 145 East Street, Rockhampton.

If you require further information, please do not hesitate to contact the school. Applications can be lodged through the school office on ‘Attachment A’ or ‘Attachment B’ (attached) or alternatively, scanned and emailed to pandc@frenchviss.eq.edu.au. All supporting documentation should be included.

Kind regards

Leisa Neaton
Principal
APPLICATION FOR FINANCIAL ASSISTANCE
